

1) Cut a 10" piece of Elastic Cord. Use any color of elastic you would like.

Black does not show dirt and wears well. However, Royal Blue can be used to signify "water" for Baptism.

2) Tie a loose knot about 1 1/2" from one end of the elastic cord.

Make piles of 5* beads each Black, Red, White, Green, and Yellow.

*To make larger (adult) bracelets, cut elastic cord to 12" and use 6 beads of each color.

3) Begin by stringing the 5 Black Pony Beads.

6) Next, string 5 Green Pony Beads.
